:Dank Studio

Your brand should sound like you.

Not like everyone else on LinkedIn.

dankstudio.net

Swipe

01

Mine what you already say.

Your real voice hides in voice notes, sales calls and quick messages. Pull out the words and phrases you repeat.

02

✓ a smart friend

✗ ~~a textbook~~

“We sound like X, not Y.”

Pick one comparison. It's the fastest way to brief anyone who writes for you.

03

Read it out loud.

If you'd never say it in a real conversation, don't write it. Your ears catch what your eyes skim past.

Save this for your next rewrite.

Mine it. Compare it. Say it out loud.

TL;DR

Share it with whoever writes your *website copy*.

Follow Dank Studio for more on brands that sound human.
